

A Tradition of Teamwork

Marcus & Millichap is pleased to honor the top performers in 1995 who helped us achieve the best year in our history with sales of \$2.06 billion.

We are particularly proud of our Top Ten Investment Associates nationwide, who collectively brokered the sale of \$513 million of multi-residential and leased investment properties.

These professionals promote a tradition of teamwork every day in working together to provide clients with superior investment brokerage services.
