The Mogharebi Group has won Co-Star's power broker award for the Fresno metro area. The award honors professionals with the highest transaction volume. The Mogharebi Group is a multifamily investment banking group with offices located throughout California.

One of the firm's most recent transactions also includes the \$16.9 million sale of Golden Meadow, a 196-unit apartment community in Kerman, CA, a submarket the Fresno region. The property traded to a private investor located in the Bay area. Otto Ozen of TMG represented the seller, a private investment group located in the Orange County, and the buyer.
